

# Activity Center Closure Policy:

***When the Blaine School District is closed for inclement weather, the Birch Bay Activity Center will be closed and activities cancelled, but optional for staff to go to the office to work.***

- There will be no exceptions, if school is cancelled, the classes and events at the Activity Center / Blaine Pavilion are cancelled. This will prevent any confusion.
  - BBBPRD2 staff will notify members by posting on the website, Facebook, and sending a text and email to all members who have opted in for communications.
- If there is a **two-hour delay**, morning activities **will be cancelled** up until the 11 am hour, assume activities and classes after 11 am will proceed as normally scheduled unless otherwise stated on the website and Facebook.
- If there is a private gym rental and the gym is closed due to weather, the person renting the gym will have the option to change the date of the rental or issued a refund.
- If the class or event is on a weekend and we receive inclement weather, assume activities and classes will proceed as normally scheduled unless otherwise communicated on the website, Facebook, and text and emails alerts. Please note the parking lot is not plowed or sanded.
