The Blaine-Birch Bay Park and Recreation District #2 is committed to having a facility that you can feel safe in during the COVID-19 Pandemic. We want you to feel confident that we are doing our very best to provide a clean, sanitized facility. We are implementing these new guidelines to keep you and our staff safe. If you have any concerns or feel there are procedures in place that are not being adhered to, please feel free to let staff know.

Social distancing guidelines of at least six feet of separation **must be maintained by every person in the facility at all times** to the greatest extent possible. The Center will have a social distancing plan that explains where clients can be at a given time in lobby or waiting areas, private offices, and the training area.

NOTE: We will monitor the demands for indoor court time and reserve the right to restrict the amount of times you can reserve a court during the week. The outdoor courts are available whenever the weather is fair. There is a 15-minute break between inside court times. Please make sure that you are finished your game at the end of your allowed court time and to leave the gym in a timely fashion so the next court reservation has time to start their game on time.
